“ Bonnie, Donna and I had the best time at work and play. After she retired, Bonnie, Jack, Steve, Donna and I would get together once a month for dinner. We had the best times always lots of laughter and love. Even though Pat and I have been in TX since 2013 Bonnie has remained in our thoughts. My heart is broken my friend, you will always live on in our memories.

“ Bonnie was always very kind to me. A good listener and very supportive when I was in the hospital. She loved her maryland crabs. She made me a lemon meringue pie and ginger cookies. I will miss her very very much. Rest in Peace my friend.

“ I have had a lot of fun with Bonnie, Jack, Jane and Pat. We used to go out to eat once a month together. I think that Bonnie and Jack got lost on there way to the restaurant and was late for most of our dates. Each one blaming the other one for missing the exit and both with a smile on their face and a sparkle in their eye. She will remain in my heart forever. Rest in Peace my friend, gone from my life but never forgotten.
