

Mr. Robert "Bob" Bertram Eckhoff

February 15, 1947 - March 31, 2021

Robert "Bob" Bertram Eckhoff, age 74 of Woodbine, passed away from COVID-19, Wednesday, March 31, 2021 at Howard County General Hospital in Columbia. Born February 15, 1947 in New Jersey, he was the son of the late Ernest and Martha Eckhoff. He was the husband of Roberta "Bobbie" T. Eckhoff of Woodbine.

Bob was a veteran of the U.S. Army. He was self-employed and his company previously managed various recreational facilities which included ice rinks in Howard County, MD, Washington, D.C. and Flint, Michigan. Bob was a past president of the Rotary Club of Columbia and a member for approximately 20 years.

Those who knew Bob recognized very quickly that he was a man of many talents and had a heart of gold. He was truly a jack of all trades. He would always stop whatever he was doing to help others in any way he could.

His interests included frequent trips to his cabin in West Virginia, hunting and other outdoor activities with family members and close friends, family cookouts with the grandkids, and various holiday celebrations with his children and their families.

Surviving in addition to his wife, are son Brian Eckhoff and his wife Kristina, daughter Jennifer Kullgren and her husband Jonathan, and grandchildren Hailey, Alyssa, and Andrew "Buddy" Eckhoff, and Dana and Leaf Kullgren. He was predeceased by his sister, Elaine Meyer.

A celebration of life will be planned at a later date.

“ Bob- thanks for everything. It is true that you would stop what you were doing and help someone. We share a lot of memories- Kittamaqundi Island, road trips, hunting, motorcycles, and never forget the Dawn Treader and the adventure we shared on her (and we lived to tell about it).
I'm truly sorry that we never got together in these last few years and will regret that forever.
Though I never met Bobbie, I wish her and the kids my [and Bonnie's] sincere condolences.
Please notify us when and where the Memorial Services will be held.
