“ Ruth was an amazing woman! I have many fond memories of arranging flowers for special events with Ruth and my aunt Mary Ellen Bay. It was always a fun time and the good natured teasing always brought about laughter. Ruth had an eye for detail and it showed in her home and in her flower arrangements. I also cherished her visits to and advice about my newly acquired old farmhouse. In more recent years I have enjoyed visiting Ruth and spending time with a fellow movie buff and night owl. I will never forget this lovely lady and all she has bestowed upon me throughout the years. She will be missed.

“ Over the years I have done Miss Ruth's Hair . She loved sharing stories about our old boss Stuart Bankert and the years that she worked for him. We shared a common bond because of our training with him . I missed seeing her over the last few years because of her mobility. She will be missed by many but I am so glad she is out of pain and in a better place with our lord.

“ Our family has known Ruth for many years. We would see her at Carol and Clyde's home for family events and her smile would light up the room! She was always so sweet to everyone and loved to know how we were and what was happening in our lives. Besides her sweet smile and personality, she also brightened up the room with at least 1 or more of her beautiful handmade floral arrangements. It was such a pleasure for me and our family to have known this very special lady and she will be missed!

“ Ruth will be truly missed. She was a good friend and had a wealth of knowledge. We shared many stories over meals, tea parties, and treats. We also worked on flower arranging for weddings together a few times (Even my daughters wedding). Ruth always knew what would be blooming and when. This knowledge was very helpful when planning the flowers for an event. She was a great friend to me for many years. We could talk for hours and the time just flew by. I will miss her a lot, but I am glad

that she is no longer in pain. Love you.
